Facilities

Campers share a cabin with six to eight other campers and two counselors, depending on age. Cabins are not air conditioned, but well ventilated and situated to catch the breezes of one of our many lakes. Our extensive waterfront includes tubing, boating, fishing, a Tarzan swing and 15 foot high waterslide all under the supervision of certified lifeguards. We have a full service dining hall, an air conditioned recreation hall with pool tables and table tennis, various sport courts, a swimming pool- separate from the waterfront, health center and registered nurse, a stable and riding arena and two thousand acres of property for trail rides, hikes and the occasional overnight campout.

Activities

Archery, paintball, hiking, fishing, trail rides, riding instruction, orienteering, swimming, tubing, boating, sports, wide games, crafts, campfires, drama, music and much, much more.

Campers staying consecutive weeks normally stay over on the weekends, parents are welcome to come on Saturdays for a visit and town trip. Laundry is done for stay-over campers on Saturday and Sunday.
